

FIG. 1

FIG. 1 is a diagram illustrating a mapping between a visual layout and its corresponding HTML code. The visual layout (left) shows a box labeled "Title" (310), a box labeled "Authors" (320), a group of four vertical bars (330), and a small box (340). The HTML code (right) shows the corresponding tags and attributes. Arrows indicate the mapping between the visual elements and the HTML code.
